## Teachers' Day Message by Principal

"गुरु ब्रह्मा गुरु विष्णु गुरु देवो महेश्वरः

गुरु साक्षात् परं ब्रह्म तस्मै श्री गुरवे नमः।"

Esteemed teachers,

On this special day, I speak to you with deep respect and heartfelt gratitude. You are the pillars of this school and the true architects of our nation's future.

Let me share a few thoughts from my heart:

1. I know you are not highly paid employees.

But I also know that you didn't choose this profession for money. You chose it to ignite young minds and shape the future of our country.

2. You are nation builders.

Every lesson you teach, every value you share, helps create responsible citizens and strong leaders.

3. You feel true joy when your students succeed.

Seeing your students become IAS, IPS officers, doctors, engineers — that pride is more valuable than any gift or award.

4. Your dedication is unmatched.

You work silently, often without recognition, but your impact lasts a lifetime.

5. You are role models.

Students learn not just from your words, but from your actions, your patience, and your kindness.

I want here to quote statement of our Director:

"आपको साधन की कमी हो सकती है , पर साधना में कभी कमी नहीं होनी चाहिए"

On this Teachers' Day, I salute your commitment, your passion, and your selfless service.

And I would like to end with a small Hindi shayari, just for you:

शिक्षक वो दीप हैं जो अंधेरो को मिटा देते हैं,

ज्ञान की लौ से जीवन को सजा देते हैं।

ना धन की चाह, ना सम्मान की पुकार,

बस छात्रों की सफलता ही है उनका असली उपहार।

'Happy Teachers' Day to all of you. You are the soul of this school.

P..K JHA (Principal)
